General Information

Nature of the College

Chowan College is a two-year, co-educational college owned and supported by the Baptist State Convention of North Carolina.

Chowan follows in the time-honored tradition of smaller, church-related colleges where one finds such advantages as a real sense of “belonging” to the college family, sound academic instruction, economy in tuition and boarding expenses, and a definite interest in the individual on the part of faculty and administration.

Chowan is the second oldest (1848) of North Carolina’s seven Baptist colleges.

While the enrollment of Chowan is about 1,000 students, with a plant evaluation of more than \$16,000,000, the trustees and administration are determined that quality rather than quantity shall always be the primary consideration.

Chowan College exists for the student and seeks to fulfill its stated purpose within a framework of academic excellence, while maintaining a genuine Christian concern for every student.

By action of the Board of Trustees of Chowan College, the college is operated on a non-discriminatory basis as regards race, sex, creed or color. This includes employment, admissions, housing, scholarships and grants-in-aid, and public functions.

Purpose of the College

Chowan College, influenced by Christian ideals, endeavors to provide quality higher education and to help students gain a philosophy of life which will lead to their development into responsible Christian leaders and citizens.

The college seeks to fulfill the purpose through the following means: (1) employing faculty and staff who are compatible with the college’s statement of purpose; (2) offering instruction in the standard academic disciplines for those students who plan to earn the baccalaureate degrees in senior institutions; (3) providing vocational instruction, on a liberal arts foundation, for the ones who wish to terminate their formal education with one-year diplomas or two-year associate degrees; and (4) striving to meet the personal needs of the individual student through academic, social and spiritual counseling.

Heritage

Chowan College first opened its doors on October 11, 1848, as a result of interest and influence of the Baptists of Northeastern North Carolina and Southeastern Virginia. For 62 years, the institution was known as the Chowan Baptist Female Institute; in 1910, its name was changed to Chowan College.

The college was first located in the old Hertford Academy lot and it used the Banks Building and equipment. Three years later the college moved to McDowell Columns, a building which serves today as the campus administration building.

Chowan College remained open during the Civil War, although a number of southern colleges closed. By the latter part of the 19th Century, Chowan was recognized throughout the South for its high standards in scholarship and culture.

The 20th Century brought continued progress to the college by the way of additional buildings and equipment and the maintaining of consistently high standards. However, due to a shortage of students occasioned by World War II, the college closed its doors in 1943. Since its reopening in 1949, Chowan has had a phenomenal growth both in enrollment and physical facilities. It also received full accreditation from the Southern Association of Colleges and Schools in 1956. Chowan is today recognized as one of the outstanding two-year colleges in the nation.

Following is a chronicle of some of the important events in the life of Chowan College:

Campus

The college's campus consists of 235 acres. The main campus is monumented with ancient pines and majestic oaks. A circular drive (seven-

tenths of a mile in length) provides easy access to the campus facilities and encircles a beautifully landscaped oval lawn, which is divided by historic Pine Walk, the main approach to the graceful McDowell Columns.

Numerous new buildings, of both contemporary and modern design, provide comfortable space for living and study. Ten of these buildings — three dormitories, four classroom buildings, cafeteria, infirmary, and library — are fully air-conditioned.

Buildings

McDowell Columns Building, erected in 1851, is a beautiful brick and concrete structure, with massive columns and broad veranda, so characteristic of the old South. This structure contains the administrative offices of the college. A later addition to "The Columns," the *South Building*, contains additional administrative offices, and an auditorium with a seating capacity of 600.

Whitaker Library, a three-story contemporary structure of modern design, was constructed in 1968 to shelve 100,000 volumes and contains space for 330 students and faculty in several reading areas. Also housed in this structure are the Baptist Collection and items of historical interest to Chowan College and the region of Northeastern North Carolina and Tidewater Virginia.

Daniel Fine Arts Building, a modern structure erected in 1968, contains space and equipment for music, drama, and art, including practice rooms and choral rooms for various musical organizations active on campus and functioning as part of the Department of Fine Arts. The office of the Chaplain to the College and an activities room for the Baptist Student Union — Campus Christian Fellowship are also housed in this facility.

Green Hall, erected in 1956, served as the science building until 1974, when science instruction was relocated in a new structure. This facility has been renovated and now houses the Division of Art of the Department of Fine Arts.

Askew Student Union, located on the banks of a beautiful tree-studded ravine, houses student recreational facilities.

Robert Marks Hall was erected in 1963-64 and dedicated in May of 1964. Marks Hall is a three-story building of contemporary and modern design housing 23 classrooms, 22 faculty offices and equipment for closed circuit television. An outstanding feature of this facility is a large 175 opera-type seat lecture hall. The building was provided primarily by gifts from the family of the late Robert Marks of Boykins, Virginia.

Carrie Savage Camp Hall, constructed in 1972-73, houses the Departments of Science and Mathematics. This new, air-conditioned, three-story structure contains eleven laboratories equipped for learning in biology, chemistry, botany, physics, micro-biology, and anatomy-physiology, an environmental study area, eleven classrooms, departmental and faculty offices, and a 110 seat auditorium. It contains 45,600 square feet of instructional space. Carrie Savage Camp Hall dedicated on May 19, 1974, is named in memory of Carrie Savage Camp (Mrs. J. L. Camp, Sr.), class of 1881. Miss Savage was the daughter of the Reverend Robert Risop Savage, chair-

man of the Board of Trustees of Chowan College, 1879-1889.

Penny Infirmary, erected in 1964, was provided primarily by the late Mrs. W. S. Penny of Raleigh. The facility serves both men and women with two floors of space, including treatment rooms, wards and complete air-conditioning.

Jesse Helms Physical Education Center, constructed between 1978-80, houses the Department of Health and Physical Education. This outstanding center contains three basketball courts, three handball courts, a weight room, training room, two classrooms, a mini-gym, locker rooms, offices and the Ruth Camp Campbell Indoor Pool. The gymnasium is named in honor of United States Senator Jesse Helms of North Carolina.

Fieldhouse, constructed in 1977. Located adjacent to the Braves Stadium. The fieldhouse contains locker and shower facilities for home and visiting teams.

McSweeney Hall houses the Department of Graphic Communications. This unique department of the college was made possible by newspaper publishers of North Carolina and Tidewater Virginia. The first building (40' x 70') was erected in 1953; a 40' x 60' addition was completed in 1956. In 1962 members of the North Carolina Press Association contributed funds for the erection of a modern and attractive addition that doubled the floor space. The building was named in honor of John McSweeney, first chairman of the department and now Professor, Emeritus of Graphic Arts.

Thomas Cafeteria, erected in 1959, is fully air-conditioned. It provides the main dining area and private dining rooms for special meetings of students, faculty, or other groups. During the summer of 1964 an addition was made to the cafeteria which doubled the dining area and now provides a student store and related facilities. This structure is named in memory of Dr. R. P. Thomas, long-time member of Chowan's Board of Trustees.

The President's Home is a two-story house at the entrance of the campus.

Belk Hall for Women, erected in 1964, is a three-story brick building. It houses 200 students and is fully air-conditioned. The structure is completely modern in design and provides lounges on each floor as well as convenient built-in furniture. The hall is named in honor of Mrs. Irwin Belk, Charlotte, North Carolina.

Jenkins Hall for Women, erected in 1958, is a modern and functional unit which provides attractive and desirable accommodations for young women at Chowan. The residence was named in memory of Charles H. Jenkins and in honor of his mother, Mrs. Olivia Benthall Jenkins.

The F. O. Mixon Hall for Men, a two-story residence hall erected in 1954, accommodates 100 students. It has lounge space and an apartment for a dormitory resident.

East Hall for Men, was erected in 1960. The three-story brick building provides living accommodations for 118 students.

West Hall for Men was erected in 1963. The three-story brick building houses 216 students. It contains lounges on each floor, lavatories in each room, convenient built-in furniture and is fully air-conditioned.

Parker Hall is a nine-story men's dormitory, built in 1970. This beautiful building, located on Union Street, is fully air- conditioned and modern in every respect. It houses 280 men, and is named in honor of Elwood W. Parker, of Murfreesboro.

Development

With faith in the support of its college family, alumni and friends, Chowan College initiated its Development Program in 1957. With the support of the college's Board of Trustees, Board of Advisors and other outstanding leaders and friends of the college, a virtually new Chowan has been built on this 133 year old campus. This exciting development program, which has been labeled a "modern miracle", is being accomplished within the frame-work of comprehensive long-range planning and sound fiscal management. Leaders from North Carolina, Virginia and other states give wise counsel and direction to the college.

It is significant that the college has operated in the black in each year of development and has kept cost to its students (tuition and fees) at the minimum level. The college makes every effort to gain the maximum educational mileage out of every dollar entrusted to it. In addition to brick-and-mortar, Chowan has projected the financial resources needed to keep plant and program operating at top efficiency, to meet the intellectual and spiritual requirements of its students, to supply an adequate library and equipment needed to accommodate them, and to support the quality faculty necessary to lead them. Through the Annual Giving Fund Program, the college seeks annual support from a variety of sources to help underwrite the day-to-day operation of the College.

Campus Life

Orientation

Prior to enrollment all new students will receive a letter informing them when to arrive on campus for an orientation program. Orientation affords new students the opportunity to become acquainted with the aims and objectives of the college, its traditions and customs, the curriculum, activities, student leaders, faculty and staff members, and the college environment.

College Committees

Students are currently serving on the following college committees: Class Absences, Scholarship, Library, Athletic, Graduation, Housing, Cafeteria, Clothing and Etiquette, Publications, Intramurals, Hospitality, Health, Student Activities, and Faculty- Student Relations. The student members have voting rights and thus share in planning social, operational, and academic phases of the College.

College Organizations

New students are welcomed into all organizations except those whose members are invited in recognition of their eminence in scholarship, athletics, writing, music, dramatics or special phases of leadership. Announcements concerning organizational activities are posted on bulletin boards, published in the college newspaper, and noted in assembly bulletins and the weekly campus calendar..

Student Government

All students are automatically members of the Student Government Association of Chowan College. The organization offers them opportunities to become meaningfully involved in college-sponsored activities, to gain experience in democratic procedures and to participate in the operation of the college. Through the legislative, executive and judicial branches of the SGA, students have an opportunity to voice their points of view and recommendations to the administration. Also, within limitations of power granted to the SGA by the President of the College, elected student leaders administer and enforce policies which regulate life within the college community.

Religious Activities

A full-time chaplain is a member of the college staff. He seeks to interpret the place of religion in society and in the Chowan College community. He ministers to students by helping them translate their worship into Christian living. All religious activities, including the weekly assembly programs, are coordinated by the chaplain.

A varied program of religious activities is offered to challenge the interest of students and to meet their needs. Opportunities for effective service, spiritual growth, and social fellowship are provided for students through the activities of the Baptist Student Union — Campus Christian Fellowship, Fellowship of Christian Athletes, and the Ministerial Alliance. During Evangelism Week and Christian Emphasis Week, students have the opportunity to hold individual and small group conferences with guest speakers.

Students are invited by the churches of Murfreesboro and the surrounding area to participate in their worship services. Located within Murfreesboro itself are Baptist, Methodist, Episcopal and Assembly of God churches. Other churches located in the immediate vicinity of Murfreesboro are Roman Catholic, Presbyterian, Friends, Latter Day Saints, Free Will Baptist and Church of God.

Campus Clubs

Monogram Club. To be eligible for membership in the Monogram Club, the student must be a member of a varsity athletic team and participate in intercollegiate competition.

Student Chapter of National Education Association. This organization is open to students who plan to teach. It aims to keep the prospective teacher informed in educational developments and to develop a strong professional attitude toward the teaching profession.

Circle K International. The club offers both service and social opportunities to the student. It is affiliated with Kiwanis International and is open to both male and female students with 2.0 grade point averages.

Social Science Club. This organization promotes interest in community service projects. Field trips and guest speakers are sponsored for the pur-

pose of exposing members to information on the development, structure and function of human groups conceived as processes of interaction or as organized patterns of collective behavior.

Chowan Science Club. This is a campus organization which is affiliated with the North Carolina Collegiate Academy of Science. Its purpose is to stimulate interest in the sciences by introducing the lesser known fields through informative programs and projects.

Chowan College Day Student Organization. All students classified as commuting are members of this organization. While this organization serves many functions, its primary objective is to encourage the involvement of day students in college sponsored activities. The organization has official representation in the Student Government Association.

Chowan College Art Society. This organization is sponsored by one or more professors in the Division of Art. The society promotes interest in art through workshops, lectures, demonstrations, critiques, exhibitions and field trips. In 1979-80 the Art Society sponsored a field trip to New York City to study works on display in the Metropolitan Museum of Art and the Museum of Modern Art. Campus-based workshops involving professional artists are also sponsored by the Art Society. *Chowan College Photography Club.* All students with interests in photography are encouraged to join the Chowan College Photography Club which involves its members in activities and programs related to all fields of photography. In 1979-80 the club sponsored several exhibits and lectures.

Interest Organizations. These organizations vary according to the common identifying concerns and interests of students. The most popular interest clubs within recent years included the following: Motor Sports Club, Trailblazers, Soccer Club, Surfing Association, Aviation and Parachute Association and Scuba Diving Club.

Honor Societies

Phi Theta Kappa is a national, honorary, scholarship fraternity for the junior college of America and is open to students with a three point average, who are recommended by a faculty committee and approved by the student members of the organization.

Alpha Pi Epsilon (Alpha Pi Chapter) is a national honorary, scholarship society for secretarial students. Its ultimate purpose is to professionalize the status of college-trained young men and women. Motto: "First in Scholarship, Leadership, and Cooperation."

To be eligible for membership in the organization, a student must possess the qualities of accuracy, dependability, and initiative; be recommended by the Department of Business Faculty; and earn a three point-plus average in business and in the liberal arts.

Phi Beta Lambda (Mu Zeta Chapter) is a national business fraternity, affiliated with both state and national organizations. The fraternity's primary purpose is to develop the business and civic leadership qualities that will enable young men and women to be highly successful in tomorrow's competitive world of work.

College Publications

All Chowan College publications, brochures, and booklets, are produced by students under the instruction and supervision of faculty members in the Department of Graphic Communications.

The Chowanian. This is a pictorial periodical disseminating information about Chowan College to alumni, high schools in North Carolina and Virginia, and friends of the college.

The Chowanoka. This is the yearbook, edited by a staff of students with the guidance of a committee of faculty advisors. Student staff members are responsible for the layout and design of this publication.

Smoke Signals. This is a bi-monthly newspaper edited by students under the supervision of a faculty advisor. It carries news and pictures of student activities.

The Student Handbook. This publication contains information about social rules and regulations for Chowan College students. It is distributed and studied during orientation programs.

All student publications must be approved by the administration before they can be printed and circulated.

Drama

For students interested in theatrical activities, Chowan Players offer opportunities for helping to produce plays for the college community. Plays ranging from classic to modern are selected.

Music

Membership in the *College Choir* is open to all students who are interested in choral music. On-campus appearances of the Choir include annual Christmas and Spring Concerts.

Membership in the *Chowan Touring Choir* is selected by audition from the College Choir. The Touring Choir makes several off-campus and television appearances during the year and takes an extended tour in the Spring. Last year the *Chowan Touring Choir* performed in schools and churches in North Carolina, South Carolina, Georgia and Florida.

Membership in the *College-Community Chorus* is open to all students and persons from the surrounding communities. This organization presents two concerts, one in the fall and one in the spring, each accompanied by orchestra.

Membership in the *College Stage Band* is open to all students who are interested in playing band music.

The *Chowan College Orchestra* is open to all students, faculty and community persons with the permission of the director.

Other *Ensembles* are organized from time to time as the demand exists.

The *Chowan College Concert Association* brings outstanding vocal and instrumental musicians to the campus four times each year.

Cultural Activities

Through the combined facilities of the college and the community, students have the opportunity to attend numerous programs — lectures, plays, concerts, receptions, recitals, motion pictures, and art exhibits — designed to enrich their educational experiences.

The *Chowan Student Government Association*, through the help of the Student Activities Committee, sponsors an entertainment series which brings popular groups to the campus.

Social Life

Many occasions for individual and group expression are offered by College-sponsored student organizations. Included are motion pictures, a comprehensive intramural program, and a variety of residence hall and club events. The Student Government Association is actively engaged in sponsoring a broad range of social and entertainment events.

Chowan College Speakers Bureau

Students, faculty, and staff members are available as speakers through the Office of College Relations. Citizens of the Chowan College Community serve as guest speakers at convocations, banquets, civic clubs, commencements, PTA meetings, social affairs, and church activities. The Speakers Bureau serves as a link between the college and friends of the college.

Intramural Sports

Recognizing the importance of physical education in maintaining good health, Chowan makes available to every student an extensive program in intramural athletics. This program is conducted under the supervision of the Department of Athletics and Student Development. The program for women includes volleyball, basketball, softball, tennis, and badminton. Intramural competition for men includes flag football, volleyball, basketball, softball, tennis, ping pong, golf, basketball foul shooting, wrestling, weight lifting, and swimming.

Intercollegiate Athletics

The Director of Athletics has general supervision of intercollegiate activities. Chowan College is a member of the National Junior College Athletic Association, the Tarheel Junior College Athletic Conference and the Coastal Football Conference and is governed in matters of eligibility by the constitution and bylaws of these organizations.

The intercollegiate program at Chowan is divided into sports for women, sports for women and men, and sports for men. Varsity competition for women includes volleyball, basketball and softball. Both women and men participate on the same varsity golf, and tennis teams. The varsity cheerleading squad is composed of men and women and is sponsored by the Department of Athletics. The intercollegiate sports program for men consists of football, baseball, basketball and wrestling.

Fellowship of Christian Athletes

A chapter of Fellowship of Christian Athletes is sponsored by faculty members and coaches in the Department of Athletics. Members of this group meet twice monthly for breakfast in Thomas Cafeteria.

Chowan Traditions

Chowan College has certain customs and events which have become a traditional part of the College.

Homecoming. Homecoming is observed in the fall in connection with a football game, and events for the day are planned by the Student Government Association and Student Development. The Alumni are honored at this event. Half-time activities at the football game include the coronation of the Homecoming Queen and the presentation of the Court.

Parents' Day. This is a day when all parents are invited to the campus. The day includes the President's Reception and a scheduled time when parents can meet with the professors of their sons and daughters. Parents' Day in the fall is observed in connection with a football game. In the spring it is scheduled concurrently with Spring Festival.

Spring Festival. Activities for Spring Festival are planned by the Student Government Association and Student Development. Field events, a concert, and a formal dance are part of the activities. The highlight of the event is the crowning of the Spring Festival Queen and recognition of her Court.

Counseling and Career Development

The Counseling and Career Development Center exists to help students achieve a satisfactory growth experience while at Chowan College. Professionally trained counselors are available to discuss educational, personal, social and career concerns as well as other matters related to the total development of the individual.

Counseling. Counselors serve as facilitators for self-growth in such areas as interpersonal relationship, career exploration, self-management and

study skills seminars. Group and individual sessions are conducted for students who wish to deal with various problems or personal concerns which arise from the stress of college life and interpersonal relations. Counseling sessions of a personal nature are regarded as confidential. Assistance with educational planning is available to those who desire help when making plans to transfer to senior institutions. A collection of catalogs from institutions to which Chowan graduates frequently transfer is maintained in the Counseling and Career Center.

Career Development. Current information on various careers is maintained in the Center. Students may enroll in non-credit courses in Career Exploration. Material in the Career Library is available to students without appointment.

Testing. Several placement tests, vocational inventories and personality indicators are administered by counselors. Results are used by counselors and faculty advisers in the counseling process.

Academic Advisement. Each student is assigned an academic adviser who is available for academic as well as personal counseling. Academic advisers assist their advisees with matters related to programs of study, course requirements, and class schedules. Adviser-Advisee meetings are held twice each semester and students are expected to confer individually with their faculty advisers at least once each semester.

Student Mail and Messages

Every student, whether boarding or day, is assigned a post office box and receives mail and intra-college messages through the College Post Office.

Student Center

The College Post Office, Book Store and Snack Bar are located on the ground floor of Thomas Cafeteria. Additional recreational facilities are available in the Askew Student Center which is open daily from 1:00 p.m. until 11:00 p.m.

Health Services

Each incoming student is required to forward to the Office of Admissions a Chowan College Medical Examination and Health Report. This report is filed in the Office of the College Nurse who maintains a health record on each student.

A Registered Nurse is on duty from 7:30 a.m. until 4:00 p.m. daily, Monday through Friday. A Licensed Practical Nurse is on duty at night. A Nurse or a member of the Student Development staff is on call during weekends. The services of local physicians are used by Chowan students. Such services and any prescriptions are the financial responsibility of each student. Hospital accommodations are available in Ahoskie, a twenty-minute drive from the College.

In keeping with the policy on class absences, boarding students who must miss classes because of illness should consult the nurse before the time the class meets to obtain a medical excuse. Day students who miss classes because of sickness must bring a note from home or from a physician in the case of prolonged illness.

Beds in Penny Infirmary are used primarily for acutely ill students who respond rapidly to rest and conservative treatment. If the student's condition worsens or response to treatment is slow, arrangements are made for treatment and laboratory studies according to instructions from parents.

Student Insurance

Chowan College carries Accident Insurance on all students. After the insurance is in force, it applies at all times, on and off the campus. The individual student is responsible for seeing that his claim is filed. We strongly recommend that a student maintain a personal health insurance policy.

Thomas Cafeteria

Thomas Cafeteria seats 750 persons. All resident students and students staying in approved homes are required to take their meals in Thomas Cafeteria.

Students and faculty serve on the *Cafeteria Committee*, which meets monthly with the Food Service Director to discuss all matters dealing with food service.

Identification Cards

Until permanent ID cards are issued, the Bursar's receipt serves as a temporary means of identification. Once ID cards have been received, students are responsible for having them in their possession at all times, on and off the campus.

Since students are required to present ID cards when eating in Thomas Cafeteria and cashing checks in Murfreesboro caution should be taken in caring for the card.

Any Chowan student must produce his identification card when called upon to do so by an authorized official of the college, or any authorized civil official.

Lost ID cards can be replaced for \$3.00.

Lending an ID card or using another student's ID card is forbidden and is considered an act of falsification.

Motor Vehicle Regulation

Motor vehicles may be kept on campus providing they are properly registered through the Office of the Safety and Security Officer and the Business Manager of the College. The request to register motor vehicles will be initiated through the Office of the Safety and Security Officer. Registration decals will be given to the student when he pays his motor vehicle registration fee in the Office of the Business Manager and must be

displayed as designated by existing policy. At such time the student will be assigned a specific parking lot and a student will be permitted to park only in the lot to which he is assigned. Improper parking will result in parking violation tickets and may result in the forfeiture of one's right to have a car on campus. Towing is also enforced.

Motor vehicle registration fees are as follows: (1) \$15 for nine months (two semesters in the same academic year), or (2) \$10 per semester. In summer school the registration fee will be \$5. These fees are non-refundable under any circumstances.

While the college will, through its normal security measures, attempt to patrol parking areas, the college assumes no liability for personal property of others; moreover, the college has no insurance to cover losses the owner may experience.

A student is expected to observe the car regulations given him at the time of registration. If a student is given a campus traffic ticket, he is expected to pay the amount of the fine in the Business Office of the College. Unpaid fines will become a part of the individual's College account. Transcripts are placed on a non-release status until motor vehicle fines are paid.

Bicycle Registration

The college encourages students to bring bicycles to the campus. Bicycles are registered through the Office of the Security Officer. Registration decals are given to students.

Registered bicycles are:

1. More easily found in case of theft.
2. Stored, upon request of the owner, by the Superintendent of Buildings and Grounds during vacations and between semester.
3. Provided spaces in bicycle racks.

Bicycles are not to be parked in residence hall rooms, halls or stairwells. Racks for parking bicycles are provided in each residence hall area.

Laundry

Arrangements have been made with a linen supplier to furnish a boarding student two sheets, one pillow case, and three bath towels each week. The linens are distributed weekly to individual lockers in the residence halls. Further information and a reservation card will be mailed to students prior to the beginning of the fall term. There is a fee for this service and students participate on a voluntary basis.

Token-operated washers and dryers have been placed in several residence halls. A privately owned laundry service located within two blocks of the campus is also available to students.

Living Accommodations

All students who do not live in Murfreesboro or near Murfreesboro with their parents must live on campus unless given permission in writing to seek rooming accommodations in conveniently located private homes which have been approved by the Director of Housing.

Room assignments are made in the Office of the Director of Housing according to the date of advance payment of \$50.00 and information received through a roommate compatible questionnaire. Chowan administers a liberal room change policy. However, no resident is permitted to change rooms without written permission from the Director of Housing. Students making unauthorized changes are subject to penalties. Furnishings will not be removed from an apartment, room, hallway, bathroom, kitchen, dining room, lounge or any other area, in any residence hall without permission from the Office of the Superintendent of Buildings and Grounds.

Pets cannot be kept in residence halls.

Residents are required to keep their rooms clean and in order. Occupants are held responsible for any damage to their rooms and furnishings. The cost of damage to the building outside the occupant's room may be charged on a prorated basis to the residents of the facility.

Students who attend Chowan College should be prepared to live in a way which reflects consistency with the purpose of the College and in a manner that demonstrates respect for the rights of their fellow students and the College. Successful residential living requires all parties to be mindful of their rights and responsibilities. Residents have a right to study, rest and relax in a pleasant, safe and clean environment. Residents have an obligation to respect these basic rights of their fellow students. The College is responsible for maintaining conditions which contribute to wholesome residential living.

Residence Hall Programs

With assistance from the Director of Residence Life, residence hall programs which enhance the out-of-class activities of students are planned by

officers of residence halls and residence directors. Residence hall programs are presented by faculty, students and resource persons from the area. These programs vary according to the common identifying interests of students. Drug Abuse, Self Protection and Security, The Judicial System, Human Sexuality, International Student Night, Fire Safety, and Hunting Safety are some of the more popular programs in recent years.

Campus Guidelines

To insure a mutual understanding and appreciation of Chowan's position on certain issues, the following campus guidelines are listed below:

1. The College will not tolerate student disorders. Any student found guilty of violating the Chowan College Policy on Student Disorders, a policy explained during orientation programs, will be subject to suspension or expulsion, depending upon the nature of the violation.

2. The College is opposed to the use of alcoholic beverages by students. Drinking or the possession of intoxicating beverages on the campus is not permitted.

3. Gambling, lying, cheating, stealing and other forms of unacceptable behavior may be cause for suspension.

4. Any student who, without medical prescription, possesses, transports, or engages in the illegal sale of amphetamines, barbiturates, hallucinogenics, narcotics, and marijuana will be subject to dismissal from the college.

5. The possession of firearms and pyrotechnics, whether in the dormitory or at any other place on the campus, is prohibited both by College policy and state law.

6. The College maintains a system of single sex residence halls. Women live in Belk and Jenkins Halls. Men reside in West, East, Mixon and Parker Halls. Violation of the policy on single sex residence halls may be cause for suspension.

Discipline

Ultimately, college discipline is in the hands of the Student Government Association, Student Development Deans, and the President, who administer policies adopted by the Board of Trustees. The purpose of discipline is to maintain order in the institution and to develop good character in its students. At Chowan discipline is guidance oriented. Fortunately, other means are seldom needed to secure good conduct, but when necessary, they are used in varying degrees from a call down to expulsion. The College reserves the right at all times to exclude students whose conduct or academic standing it regards as undesirable without specifying any further reason for exclusion. In some cases, fees will not be refunded, in whole or in part, and neither the college nor any of its personnel or officials shall be under any liability whatsoever for such exclusion.

Furthermore, the college reserves the right to change its policies upon proper notice.

Financial Information

The average cost to CHOWAN COLLEGE over and above what the student is required to pay is approximately \$500 per student. This amount is contributed by the Baptist State Convention of North Carolina, the Independent College Fund of North Carolina, Inc., churches, individuals, corporations, foundations, and from endowment funds of the college.

As a private, church-related college, Chowan must seek additional financial support from its college family, alumni, parents, friends, businesses, corporations and foundations to provide special funds needed for projects over and above those which tuition and endowment sources can support. These gifts have permitted Chowan College to keep its tuition and fees at a minimum level while elevating its educational program toward a position of esteem among independent liberal arts institutions. Every effort is made at Chowan College to keep student fees and tuition at the lowest possible level, realizing that actual instructional and service costs exceed the stated charges. We encourage parents and others who are able and willing to make gifts through the Chowan Parents Association to assist in keeping cost and fees to the student at a reasonable level and strengthen the educational program of the college. Such gifts should be made payable to the Chowan College Parents Association and mailed to Chowan College, Murfreesboro, North Carolina 27855, and are fully tax deductible.

Classification Of Students

Chowan College has two classifications of students: *Boarding* and *Commuting*. A *Commuting Student* is considered to be one (1) who is obviously a resident of Murfreesboro, (2) whose permanent residence is in such proximity to Murfreesboro that he drives to and from the college each day, or (3) who is married and has established a residence for his family in the Murfreesboro area. *Boarding Students* include all students who live in college dormitories.

By order of the Board of Trustees, all students rooming in college dormitories are required to take their meals in the college dining hall. Such students are classified as *Boarding Students*. Board and room fees do not include holiday periods.

Students assigned to rooms on the campus are not permitted to move off the campus during any given semester, except by special permission from the administration.

Further, when the college has rooms available, *Boarding students* are required to live on campus. While the college cooperates with students in

26 — Financial Information

honoring their dorm and roommate choices, the college does reserve the right to make room assignments for students. Moving without prior permission from an assigned room is prohibited (see item 7 under Financial Regulations, page 37).

Financial Information for Year 1981-82

Special Fees (Per Semester)

Any student who desires to take more than 18 semester hours must have special permission from the Dean of the College and there will be an additional charge of \$50 per semester hour for each hour in excess of 18.

Dance

Modern Dance P.E. 104 & 105 — \$20 per semester

Music

Music Major's Fee — \$80 per semester

(Includes lessons in major and minor instruments and use of practice room at no additional charge.)

Private Instruction for college students — \$45 per semester

Special Music Students (non-college students) — \$80 per semester (1 lesson per week).

Schedule of Payment

Tuition, fees and other costs for the full semester are payable at the time of registration except for students who have definite commitments of financial aid from the Director of Financial Aid. Even in these cases, the difference between the total cost of the semester and the financial aid commitment is due at the time of registration. *The refund policy presupposes that all fees have been paid prior to class registration.*

Advance Payment

In addition to the \$10 application fee, (1) All students must make an advance payment of \$50 by April 1. If accepted after April 1, payment must be made immediately upon acceptance. The payment will be applied to the student's account at the college. It is refundable only in the case of serious illness or death in the student's immediate family. (2) All returning students must make a \$50 advance payment by April 1. It is subject to refund due to academic deficiencies or as above. (3) In the event that a student is eligible for a refund of his advance payment he must make **WRITTEN APPLICATION BY THE DATE OF CLASS REGISTRATION FOR THE SEMESTER TO WHICH THE PAYMENT APPLIES.**

Deferred Payment Fee

Although it is the policy of the College, as authorized by its Board of Trustees, to collect all tuition and fee payments before a term begins, it is recognized that upon occasion some parents and students may experience unexpected problems in complying with this policy. Therefore, when satisfactory terms are requested and arranged with the Business Office for a delayed payment, there will be administered a DEFERRED PAYMENT FEE of \$10 for the first 30 days and \$5 for each succeeding 30 day period not to exceed \$20 for a given semester. This fee is not to be considered an interest charge, but instead covers the cost of administering a student's account on an individual basis.

Budget Payment Plan

College policy, as authorized by the Board of Trustees, requires payment of all fees prior to class registration unless satisfactory arrangements for the payment of fees is made well in advance of a semester with the College Business Office. One method suggested for your consideration is the 10 month Budget Payment Plan which provides that parents may enter into agreement with the college to pay any amount up to the full cost of tuition and fees in ten equal installments. Every month payment must be made by the fifth of the month commencing June 1 or the agreement may be cancelled. There are no interest charges, and the agreement is not to be considered a loan. A LATE MONTHLY PAYMENT MAY RESULT IN DEFERRED PAYMENT FEE CHARGE (see preceding paragraph).

General Information

The Student Activities Fee is charged each student to provide a variety of extra-curricular activities throughout the year. The Student Activities Committee, made up of students, faculty and staff, is charged with the responsibility of promoting and administering these various events. The fee is distributed to and includes student publications, religious activities, drama, athletics and intramurals, music and special student events.

(1) The expenses listed do not include books, which will cost approximately \$150 per year, laundry, doctor's fees or medical emergencies, except those covered by the Student Health Insurance.

(2) The college reserves the right to change the price of room and board upon proper notice to its students.

(3) To qualify as a North Carolina Resident, it is necessary that the applicant and/or his parents shall have been domiciled in the State of North Carolina for at least one year immediately preceding the beginning of that semester, and the applicant or his parents must have been bona fide taxpayers to the State of North Carolina for the *full calendar year* immediately preceding registration. Residence in the State for the purpose of securing an education does not qualify an individual for classification as a North Carolina student.

(4) All money is handled through the College Business Office only by administrative staff bonded to receive and disburse all funds.

(5) The Student Health Fee includes life/accident insurance and services rendered by the College Infirmary. Brochures describing the coverage are distributed at class registration.

(6) All rooms in the residence halls are double rooms; when space is available and requested, a student may live alone in a double room subject to the payment of an additional charge equal to 50 per cent of the regular semester room rate as stated in the current catalog.

Special Students

Special students are normally those who live within commuting distance of the college and take less than 12 semester hours. No special student may register as a boarding student except with special permission of the Dean of the College and the Dean of Students. In the event that such a student is permitted to live in a dormitory, he will pay full fees as described in the catalog for boarding student. No special student may represent the college in any manner, except with special permission of the Dean of the College. Regular fee is \$50 per semester hour.

Financial Aid

The primary purpose of the financial aid program at Chowan is to provide assistance for those students who could not otherwise attend college. Assistance is available in several forms: scholarships, grants-in-aid, loans, and part-time employment.

To be considered for financial aid, the student must:

1. File a need analysis form with either American College Testing (Family Financial Statement) or College Scholarship Service (Financial Aid Form). List Chowan to receive the results. This information is used in determining the amount of assistance to be offered.

2. Check on the need analysis form to be considered for Basic Grant. When the Student Eligibility Report, is received, send all three copies to Chowan College.

3. Apply for State Student Incentive Grant.

4. Be accepted for admission to Chowan College or be making satisfactory academic progress. (See Standards for Academic Progress.)

A need analysis form with the request for consideration for Basic Grant must be completed for each academic year. In order to receive aid, a student must meet the college's requirements for continued enrollment. This is checked at the beginning of each academic year.

Consideration for aid is given to citizens and permanent residents of the United States regardless of race, creed, color, national origin, or sex.

Commuting students are eligible to receive only half the amount of college funded scholarships and grants-in-aid. Moreover, a student is eligible for only one college funded scholarship unless otherwise indicated. College funded scholarships and grants-in-aid are not available for summer school or for students enrolled for less than twelve semester hours.

The Director of Financial Aid is available to counsel with students and prospective students about financial aid.

policies, and trusts. College officials, when requested to do so by interested persons or their attorneys, will provide, at no obligation whatsoever, professional and legal advice regarding wills in behalf of the college. President Bruce E. Whitaker stands ready to counsel with such parties at their convenience. The legal name to be used for this purpose is *Chowan College*.

Suggested wording for those who wish to remember Chowan College in their wills; "I give, devise, and bequeath to Chowan College, Murfreesboro, Hertford County, North Carolina, (here insert the amount of money and or describe the personal property or real estate) for the general purposes of Chowan College."

Academic Program

Degrees Offered

Chowan College offers various Associate degrees, as well as certificates and diplomas in business and graphic arts (printing).

Programs of Study

Two programs of study are offered at Chowan: one, the first two years of college, leading to the B.S., B.A., and the various professional degrees in four-year colleges and universities; two, vocational programs for students who wish to enter specialized employment after graduation from Chowan. *All students must follow a curriculum as outlined in the college catalog. Any exception to this policy must be approved in writing by the Dean of the College, upon recommendation of the student's academic adviser.*

Department Honors Program: Some departments in the college offer specialized honors courses for highly qualified students. Participation in these courses is by invitation only. Information on these is given under the departmental headings listed in the Courses of Instruction. Interested students should contact the chairman of the department in which they wish to study.

Requirements for Admission

1. Chowan College desires to enroll only those persons who are trustworthy and studious and who possess those qualities that make for a congenial adjustment to college life. Evidence of good moral character, seriousness of purpose, and desirable personal traits will be considered of first importance.

2. Every applicant for admissions is encouraged to take the Scholastic Aptitude Test (SAT) of the College Entrance Examination Board. Scholastic Aptitude Test scores are used for advising and do not have to be filed for admissions purposes unless specifically requested by the Admissions Committee. It is recommended that the Scholastic Aptitude Test be taken early in the senior year.

When evaluating an applicant's qualifications for acceptance, careful consideration is given to the candidate's scholastic record in high school, rank in class, Scholastic Aptitude Test scores if available, recommendations of the Principal or Counselor, evidence of character, purpose in life, motivation, and ability to identify with the objectives, purposes and philosophy of Chowan College.

42 — Academic Program

3. American College Testing (ACT) scores will be acceptable in lieu of SAT scores.

4. The basic academic requirement for admission is graduation from an approved high school with a minimum of eighteen (18) units. It is desirable, but not mandatory, that a liberal arts student submit:

English	4 units
Algebra	2 units
Foreign Language.	2 units
Plane Geometry	1 unit
Lab. Science (other than general)	1 unit
Other Courses.	8 units

A student who does not offer any one of the foregoing units and who plans to transfer to a college requiring them, or to follow a program of study in which they are required, will be expected to take them at Chowan.

The Board of Trustees of the College reserves the right to change Admission Requirements at any time.

Pre-Admission Campus Visit And Interview

Candidates for admission and their parents are strongly urged to schedule a campus visit and interview. Appointments are arranged through the Office of Admissions (919/398-4101). Visits and interviews are welcomed during office hours from 8:30 a.m. until 5:00 p.m. on weekdays and from 8:30 a.m. until 12:00 noon on Saturdays. Experience indicates that students who visit prior to enrolling identify with the college environment more easily. During campus tours prospective students visit residence halls as well as academic, recreational, and medical facilities. A conference with an admissions representative gives one an opportunity to ask questions about policies of the college. Such conferences provide the ideal setting for students and parents to become familiar with ways Chowan can assist them in reaching their personal and education goals as well as their professional and career objectives. With sufficient notice arrangements can be made for overnight accommodations and meals on campus.

Transfer Students

A transfer student is any student who has been enrolled in one or more courses in some other college, either for summer school or regular term. Students who transfer to Chowan from other colleges must have their academic transcripts sent to the Director of Admissions before being admitted.

Chowan College will accept in transfer educational credits earned by a student in another accredited college or university, when such work is equivalent to work offered at Chowan College. Normally the college will accept in transfer only work on which the student has earned a grade of C or better. Grades of D may be accepted in transfer, however, if the student has earned an average of C or better on all work attempted at the parent institution. When Chowan accepts credits from other institutions, these

are accepted at face value. The Registrar is charged with the responsibility of evaluating transcripts of transfer students. For additional information concerning the awarding of transfer credits, the student should write to the Registrar, Chowan College, Murfreesboro, N.C. 27855.

A transfer student will not normally be allowed to register at Chowan College for a regular term if he is academically ineligible to return to the institution from which he is transferring. Such students may, however, be granted admission to the summer session. If the student earns a minimum of six semester hours and twelve quality points, or if he earns nine semester hours and eighteen quality points, in the summer session, he may be permitted to register for the following regular semester.

Special Students

Special Students who wish to receive credit for courses taken should follow the same admission procedure as regular students.

Veterans

Applicants who need information concerning educational benefits for veterans and children of veterans should consult the nearest regional office of the Veterans Administration or their county veterans service officer. Veterans Administration Regional Office for North Carolina is located in Winston-Salem, North Carolina.

International Students

Chowan College has been approved by the United States Immigration Service and the Office of Education for the admission of students from other countries.

Admission Procedure

To gain admission to the college, the prospective student who has not previously attended college should:

1. Obtain all necessary forms by writing to: Director of Admissions, Chowan College, Murfreesboro, N.C., 27855.
2. Fill out completely the application for admission and mail it along with a \$10.00 processing fee, which is not refundable, to the Director of Admissions.
3. File a request with the high school Guidance Counselor for a copy of the high school transcript to be forwarded to the Director of Admissions, Chowan College, Murfreesboro, N.C. 27855.
4. Make a \$50.00 (non-refundable) deposit by April 1. This is to be applied to the student's account with the college.
5. Expect to receive an admissions decision within ten to fifteen days after the Director of Admissions has received the application, application fee of \$10.00 and high school transcript.

44 — Academic Program

Candidates for admission by transfer should follow the procedures listed above and *request that an official transcript from each institution of higher education attended be forwarded to the Director of Admissions, Chowan College, Murfreesboro, N.C. 27855.*

Note: Students who are not graduates of approved high schools (including persons who qualify under the G.E.D. test) may be admitted to the college by special permission.

Medical Report — A complete medical report is required of all students before they matriculate. The student should return this report as soon as possible after he is granted acceptance by the Director of Admissions. This provides the college nurse and her associates an opportunity to study the medical reports of incoming students prior to their actual enrollment.

Special Admission for High School Seniors

1. High school students who have completed their junior year, who rank in the upper one-third of their class, and who obtain a recommendation from their principal, are permitted to enroll in regular college classes on a special student basis during the Summer Session. These students are expected to return to their high schools for their senior year.

2. Area high school students who are in their senior year, who rank in the upper one-third of their class, and who obtain both release time and a recommendation from their principal, may enroll in college level courses on a special student basis.

Readmission

Students in Good Standing. A former student who was in good standing with the college at the time of his withdrawal is eligible for readmission. Such students should request readmission by writing to the Director of Admissions, Chowan College, Murfreesboro, N.C. 27855.

If a former student has attended other institutions of higher education since leaving Chowan College, he must furnish transcripts from these institutions before being granted readmission. Further, such students must normally be eligible to return to the last institution attended in order to be granted readmission to Chowan.

Students Under Academic Suspension. A student under academic suspension must normally remove his academic deficiencies in the Chowan College summer session before being granted readmission. Any exception to this policy must be made by the Dean of the College and/or the Academic Affairs Council. Requests for readmission should be addressed to the Dean of the College, Chowan College, Murfreesboro, N.C. 27855.

Students Under Disciplinary Suspension. A student who has been suspended from Chowan College for an infraction of college social policy may request readmission at or near the end of his specified period of suspension. Any request for readmission should be directed to the Dean of the College, Chowan College, Murfreesboro, N.C. 27855. The Dean of the College shall make a decision on the readmission of the student after conferring with the Dean of Students.

Requirements for Graduation

To receive an associate degree, a student must satisfy the following requirements:

1. The student must have completed satisfactorily two years of college work, and must have obtained a minimum of 60 semester hours of credit in college work, *exclusive of physical education*. He must have completed at least 2 semester hours of credit in Physical Education.

2. A minimum quality point ratio of 2.0 is required for graduation. This means an average of "C" (2.0 quality point ratio) on all work attempted.

3. The student must have pursued and completed a prescribed or approved curriculum as outlined in this catalog.

4. All students are required to take a minimum of one religion course for the first two consecutive semesters, unless the curriculum in which they are enrolled requires that it be taken during the sophomore year.

5. A student transferring from another college must complete a minimum of one semester of fifteen hours of college work, with a quality point ratio of 2.0 or better, at Chowan College.

6. Chowan College will accept a maximum of nine semester hours in correspondence courses from accredited institutions to be counted toward *requirements for graduation*.

7. Chowan College will accept in transfer a maximum of nine semester hours of a student's last semester's work, in his prescribed curriculum at Chowan College, for graduation.

Systems of Grades

A-Excellent	W-Withdrawal (Medical)
B-Above Average	WP-Withdrawal Passing
C-Average	WF-Withdrawal Failing
D-Below Average	NG-No Grade Reported
F-Failing	I-Incomplete

The grade of "I" is recorded only in case of illness or emergency resulting in the student's not being able to complete the work of the course. If the work recorded as "I" is not completed before the end of the following semester it will be considered as equivalent to an "F".

All deficiencies must be removed thirty days before the end of the last term of the student's graduation year.

All grades are final three (3) months after the date of issuance.

Quality Point System

Students are awarded quality points on the basis of the grade they make:

- A-Four quality points per semester hour credit
- B-Three quality points per semester hour credit
- C-Two quality points per semester hour credit
- D-One quality point per semester hour credit
- F-No quality points or semester hour credit

A 2.0 quality point ratio is required for graduation. *This means that a student must have at least two quality points for every hour attempted. All*

46 — Academic Program

courses taken at the end of the “drop” period will be considered work attempted, with the last grade on repeat courses taking preference. Repeat courses will be considered “work attempted”.

Academic Honors

The attainment of the following cumulative grade point average entitles graduating students to honors at Commencement:

Summa Cum Laude	3.80 to 4.00
Magna Cum Laude	3.50 to 3.79
Cum Laude	3.20 to 3.49

The following semester grade point averages entitle the student to honors in the academic year:

President’s List	4.00
Dean’s List	3.50 to 3.99
Honors List	3.00 to 3.49

Any grade below “C” in a particular semester will disqualify a student from placement on any honor’s list in that semester. Further, any grade below “C” during a student’s college career will disqualify him from an honors at Commencement.

Only regular students enrolled in 12 or more credit hours are eligible for placement on the President’s List, Dean’s List, or Honor’s List.

Academic Regulations

Registration

Registration days are indicated on the campus calendar in the front of this catalog. All students should complete registration on the assigned days. Those students who enroll thereafter will be charged an additional fee of \$5.00.

Standards for Academic Progress

1. In order to graduate, a student must accumulate at least twice as many quality points as the total number of semester hours attempted.

2. A full-time student who earns less than 9 hours and 18 quality points in a given semester will be placed on academic probation. (A full-time student is a student who in a given semester registers for 12 or more semester hours.)

3. A full-time student on academic probation who earns less than 9 hours and 18 quality points during his probation semester and who has accumulated a total of less than 18 hours and 36 quality points for two consecutive semesters will be academically ineligible to enroll for the next semester. He may return to the college only after he has made up his deficiencies in the summer session at Chowan College.

4. Standards for special students will be determined by the academic dean. (A special student is a student who in a given semester registers for less than 12 semester hours.)

Regular Student Load

The normal academic load for a regular student is 15-16 *credit* hours per semester. No student may carry more than 18 semester hours except by special permission from the Dean of the College. ALL REGULAR STUDENTS MUST CARRY A MINIMUM OF TWELVE HOURS PER SEMESTER. NON-CREDIT COURSES WILL NOT BE CONSIDERED IN MEETING CONTINUED ENROLLMENT REQUIREMENTS.

Special Student Load

Special students are allowed to carry a maximum of 11 hours per semester. These may be credit hours, non-credit hours, or a combination of both.

Reports

At the end of each semester a report for each student is sent to the student and to his parents or guardians. This report contains the grades and the number of absences. These grades are recorded on the permanent records in the Registrar's Office. A progress report is sent to the parents or guardians and students at mid-semester.

Sophomore Classification

To be classified as a sophomore, a student must have earned, by the beginning of his third semester, at least 25 hours and 50 quality points.

Class Absences

Students are expected to attend all meetings of their classes. Professors will keep class attendance records and these records become a part of the student's official transcript. An excused absence may be allowed for the following reasons:

1. Illness of the student, verified by a doctor or by the college nurse on forms provided for this purpose. Boarding students too ill to attend classes must report to the infirmary, unless otherwise directed by the college nurse.

Excused Absences for Illness-Boarding Student: In order to be excused from classes for reasons of personal illness, a Boarding Student must report to the Infirmary, prior to missing any class for which he seeks to be excused. The student may be confined to the infirmary or to his room for such period of time as the College Nurse deems necessary.

Excused Absences for Illness-Day Students: In order to be excused from classes for reasons of personal illness, a Day Student must bring an excuse from a parent or physician, certifying his illness.

2. Representation of the college, when such representation is reported by the appropriate faculty or staff member and approved by the Dean of the College.

3. Death of a member of a student's family.

4. Sickness in the family which requires the attention of the student, verified by a physician.

Appeals for excused absences other than those cited above can only be approved by the Dean of the College or the Registrar.

A student who wishes to be excused from class should report to the Office of the Registrar at least two days prior to the absence or *immediately* upon his return to class. He will be issued a Form 50 which must be submitted to the professor for his approval and returned to the Office of the Registrar within five (5) days after his return to classes. *If this action is not taken by the student, the absence will be recorded as unexcused.*

Unexcused Absences

Unexcused absences are those which are not listed under the above reasons for excused absences. Students may take the following number of unexcused absences without penalty:

In no class is a student permitted more than four unexcused absences. In classes that meet twice a week, the student will be permitted only three unexcused absences, in classes that meet only one time per week, two unexcused absences. (No unexcused absences are permitted in laboratories.) Excessive unexcused absences will result in a student's grade being reduced by one letter grade per excessive absence.

Once a student has accumulated two excessive unexcused absences in a class, he no longer has the option of dropping the class without penalty.

A student may appeal any of the above actions to the Absence Committee by written application, co-signed by the professor. Such application should be submitted to the Chairman of the Absence Committee within (5) days after the student's return to class. If the committee agrees to permit credit, the student will be granted the privilege of making up the time and work in a manner satisfactory to the professor.

Three (3) class tardies will be treated as one (1) unexcused absence. Tardiness is the failure to be in the classroom at the time of the tardy bell. A student who enters (10) minutes or later after the tardy bell automatically receives an unexcused absence, unless an acceptable excuse is presented.

It is always the student's responsibility to keep up with his absences, excused and unexcused, in all classes. In every case, the professor's record will be considered official as regards the number of absences a student has taken.

Loss of Credit

Normally a student who misses any class more than twelve (12) times (to include both excused and unexcused absences) will not receive credit for the course. In a class which meets twice per week, the student may not miss in excess of eight (8) times and still receive credit; in a class that meets one time per week, a total of four (4) absences.

Excessive unexcused absences may result in a student being dismissed from the college.

Assembly Attendance

All students who are enrolled for 12 or more semester hours are required to register for and to attend Assembly. A student may accumulate as many as four (4) unexcused absences each semester without penalty. When a student accumulates five (5) or more unexcused absences, he/she will be expected to remove all excessive absences in a manner satisfactory to the Associate Dean of Students.

Procedure for Changing Classes and Courses

1. Obtain proper form from the Office of the Registrar.
2. Secure the approval and signature of adviser.
3. Secure the approvals and signatures of the professors in whose classes changes are being made.
4. Secure the approval and signature of the Dean of the College.
5. Return form to the Office of the Registrar.
6. A student who finds it necessary to change from one class to another class in the same course or from one course to another within the Drop-Add period listed in the Chowan College Catalog Calendar will transfer all unexcused and excused absences.

A student may be charged a fee of \$5.00 for each class change, if such a change is primarily for the personal convenience of the student. The Registrar of the College will determine whether or not this fee will be charged, based on the merit of each case.

Dropping of Courses

Courses may be dropped under the following circumstances:

1. Classes may be dropped without academic penalty as late as one week prior to the mid-term grading period. The last date for dropping a course without academic penalty is listed in the catalog calendar. Courses dropped within this period are not listed on the student's permanent record.

2. Withdrawal from a course after the official drop period as listed in the catalog calendar will result in a grade of "F" on each course dropped.

3. Exceptions to item 2 may be made in extreme cases, such as the reasons given in the catalog for excused absences. These exceptions must be approved by the Dean of the college, the Absence Committee, or both. If the Dean of the College or the Absence Committee approves the dropping of a course because of extenuating circumstances, the student will receive a "WF" or "WP" on the course, unless the drop is medical, in which case the grade will be recorded as "W". A physician's certificate is required for a medical drop.

4. In order for a student to withdraw officially from a course, he must follow the "Procedure for Changing Classes and Courses", as outlined above. Unofficial withdrawals result in a grade of "F" on each course dropped.

Repeating of Courses

1. In the event that a student repeats a course, the last grade earned will be considered his final grade, and will be considered work attempted.

2. Courses in which "D's" are earned will transfer to many senior institutions if the student has a "C" average on all work attempted at Chowan College.

3. Students in vocational programs should repeat any courses in which "D's" are earned if such courses are in their major area of concentration. However, any student will be allowed to continue if he does not repeat the course in which a "D" is earned.

4. It will be the responsibility of the student to determine if a "D" should be repeated. The college will not be responsible for "D's" that do not transfer to senior institutions.

Re-Examinations

A final semester candidate for graduation may apply for only *one* re-examination if extenuating circumstances justify it. The decision in this matter will be made by the professor involved, the Dean of the College, and the chairman of the department. In case the chairman of the department is the professor, another professor will be called in to act.

No grade higher than a "C" may be assigned as a result of re-examination.

A special re-examination will not be given until the student has had adequate time to do further study, which, in the judgment of the professor, justifies a re-examination.

A re-examination must be authorized by the Dean of the College and preceded by the payment of the required \$5.00 fee.

Make-Up Tests

All students who desire to make up a test or tests which were missed due to excused absences will be required to make up test or tests as specified by either the individual professor or departmental policy.

College Level Examination Program

Chowan College participates in the College Level Examination Program (CLEP) of the College Entrance Examination Board. Credits are granted on the basis of both General Examinations and Subject Examinations in cases where the student scores at or above the level most recently recommended by the Council on College-Level Examinations of the College Entrance Examination Board. For information on specific CLEP credits acceptable at Chowan College, contact the Registrar of the College.

All students who seek credit by CLEP should be aware of the following matters:

1. No student may receive credit for a Subject or General Examination if it duplicates in part or total any college level course for which he has already received credit.

2. Credit granted by CLEP will be reflected on the student's transcript in terms of semester hours only. No letter grade will be recorded and no quality points assigned. The actual score achieved on a CLEP examination will be recorded on the transcript. A student's quality point average will be determined by grades achieved in regular college courses.

3. Credits by CLEP will be recorded on the student's transcript only after he has matriculated at the college and earned a minimum of 18 semester hours.

4. While more than 1,000 American colleges now participate in CLEP, all do not participate to the same degree, nor do all necessarily accept the credit level as recommended by CLEP. In every case, any student who seeks credit by CLEP does so on his own responsibility, so far as transfer of credit is concerned.

Withdrawal from the College

1. A student who finds it necessary to withdraw from the college must consult with the Dean of the College and the Bursar and arrange for regular withdrawal. Unless this is done, honorable dismissal will not be granted. All withdrawals are initiated in the Office of the Dean of the College.

2. Students who withdraw after the mid-term grading period, which is designated in the Calendar of the catalog, will receive an "F" on all courses being taken at the time of withdrawal and hours will be counted as work attempted. Exceptions to this policy will be the following reasons:

- a. Illness, in which case a physician's certificate must be presented and approved by the Dean of the College.

52 — *Academic Program*

b. Death of a member of a student's family which would place hardship on the family.

c. Sickness in a family which requires the attention of the student, verified by a physician.

For students withdrawing from the college for the above reasons, semester hours will not be counted as work attempted and will be recorded as withdrawals from the college on the date indicated on the withdrawal form. For other withdrawals prior to the mid-term grading period, work will not be recorded as work attempted but will be recorded as withdrawals from the college on the date specified on the withdrawal form. When a student withdraws from the college after mid-term for any reason other than those listed above, the faculty members involved should submit to the office of the Registrar the student's grade card showing an "F" on the course which will be recorded in the transcript of the student. Also, the professor should show the student's actual grade which will be used by the Admissions Committee in determining the student's eligibility for re-admission to the College.

Transcripts

Upon request, a student is entitled to one free copy of his college transcript. For additional copies there is a fee of \$2.00 each.

Whitaker Library

Whitaker Library, dedicated in 1968, is a handsome, efficient, modern building designed to be the center of the educational process. It provides seating space for 330 students, including space at 173 individual study tables. Here also is the Antiquities Room, which serves as a depository for old and rare books. The Antiquities Room also houses the Creech Baptist Collection.

The book collection numbers approximately 70,500 volumes and is growing at the rate of 4,000 volumes yearly. Books are readily accessible on open shelves.

Whitaker Library is open 72 hours per week and is well staffed to provide complete services to students.

The Curricula

Those students who, at the time of entering college, have not fully decided which course of study they desire to pursue are advised and urged to register for the liberal arts curriculum. Work in the liberal arts leads to degrees in teaching, medicine, religion, law, business administration, science, journalism, and various other professional fields.

Departments of Arts and Sciences

The study of the arts and sciences serves several purposes.

To Communicate. The development of the ability to communicate is greatly aided by the study of languages (including English) and related subjects.

To Inquire Accurately. The study of natural and social sciences provides students with that broad knowledge of the world and the universe which is so important to human experience.

To Understand. The study of the humanities brings an understanding of the cultural heritage of the Western World and stimulates an appreciation of other cultures.

To Encourage Moral Growth. The study of religion encourages the development of a mature philosophy of life, whereby one acquires worth and personally satisfying life goals and the ability to make appropriate value judgments.

To Reason. The study of the sciences challenges the individual to think independently and creatively and helps to develop his skill in using the various methods of thought, research, and judgment.

In short, studies in the liberal arts and sciences broaden the student's understanding of himself, his cultural heritage, and his universe, and thus, provide him with a strong foundation on which he may add successfully, throughout his life, additional blocks of knowledge.

Department of Business

The basic purpose of business is to provide young men and women with the necessary specialized training for a future of self-reliance and economic opportunity. Because the student of business should know the art of living as well as working, opportunities are offered for study in the arts and humanities.

The Department of Business offers transfer and vocational courses and curricula to serve the needs of all students.

1. *Program for Transfer Students.* Two years of studies are available to the student who plans to graduate from a four-year institution. The student who wishes to major in business administration, accounting, economics, finance, marketing, management, or secretarial administration, may qualify for junior-level status at a senior college or university by completing the first two years at Chowan College.

2. *Program for Vocational Students.* For the student who does not plan to continue his education beyond Chowan College, the Department of Business offers comprehensive programs in business-vocational training. The department has as its objective the preparation of the student for employment in the field of accounting, secretarial administration, merchandising, or general office training. This entire program is so planned that any student who desires to transfer to a four-year institution may easily do so. He may contact the chairman of the department for additional information.

Policies

Typewriting:

Each student enrolled in the Department of Business is advised to complete A MINIMUM OF ONE COLLEGE-LEVEL COURSE IN TYPEWRITING.

Placement in the typewriting course levels is as follows:

- (a) A student with no previous experience in typewriting will enroll in Typewriting 101.
- (b) A student with no more than one year of high school typewriting with a grade below "C" will enroll in Typewriting 101.
- (c) A student with one complete year of high school typewriting, with a grade of "C" or better, will enroll in Typewriting 102.
- (d) A student with more than one year of high school typewriting, with a grade of "C" or better, will enroll in Typewriting 102.

Any exceptions to the above guidelines are to be approved by the student's adviser, the instructor concerned, and the departmental chairman.

A minimum of two courses in college typewriting is normally required for all secretarial programs. Exceptions may be made where students achieve exceptional speed and accuracy levels. An approved substitution report will be executed by the student's adviser where such exceptions are made.

Shorthand:

Secretarial students are placed in the shorthand course levels as follows:

- (a) A student with no previous experience in shorthand will enroll in Shorthand 111.
- (b) A student with one year of high school experience in shorthand, or less, with a grade below "C" will enroll in Shorthand 111.
- (c) A student with one year of high school experience in shorthand with a grade of "C" or better, will enroll in Shorthand 112.
- (d) A student with two years of high school experience in shorthand, with a grade below "C" will enroll in Shorthand 112.
- (e) A student with two years of high school experience in shorthand, with a grade of "C" or better, will enroll in Advanced Dictation 211.

Preservation Hall

Having done blown the Cornbread blues,
the black-stick player gummed a tune. \$5
we gave away to him for Dixie. Away.
And hallelujah! his cracked voice slurred sweetly
the glory he be.

Down
toward the heart of New Orleans
we had gone, past
fields of downy cotton where wads of hung
bolls brush mud: Louisiana bayous.
The South's fall
blazed bright colors about us. Gray
were the geese over the pecan trees,
limbs heavy, low to the ground, brown
rain of full shells.
Had we stopped we could have brimmed
our pockets,
made no dent in the squirrels' harvest.
But knots drew tight our stomachs;
skeletal mansions flooded swamps
of blue eyes.
And we passed our time

Away
Listening to Cornbread wail through his clarinet
a \$5 tune,
and later, though we didn't pay,
mouth oh mammy mammy
for Judy.
When Cornbread stuck back his teeth
we were drained. The rusted fan's squeak
filled our skulls,
blew us from a narrow hall,
into a quarter of France,
a back alley,
where the lean, gray cat curled about our feet.

Falling in Love

Suddenly I felt the corners of my mouth being drawn toward my earlobes and when I realized what was happening I counteracted the attack by curling the middle of my lips between my teeth and breathing in as much air as my nostrils could handle hoping that somehow he'd stop and turn away, but stubbornly he waited for me to confirm his smile with mine and I did because he was stubborn and the air I breathed in had to come out and my teeth hurt my lips but mostly because the corners of my mouth were already half way there.

PATERNOSTER

The first father was the man for whom I squealed and chortled while his five-o'clock shadow brushed my cheek and he tickled me half to death.

The second father was the one who made me walk too fast by his side, rewarded me with punishment and punished me with approval.

I outstripped the third father in some way or other, let myself forget his language and found his pride in me excessive but understandable.

The fourth father still occasionally re-appears. He is the father with the father, to whom I'm too frightened to speak

except now, when I say to you, the fifth, "I never liked you as a father, but I always loved you as a man" — often as I forget that that man

resembles the first father, who resembles the second, the third, and the fourth, whose father resembles them all.

UNION STATION

Beware when you come in
on the last track, past midnight.
The rest of the town is sleeping.
The platform that held
the daguerreotype, smiling family
has chipped away.

I sat there last night,
locked in my car,
waiting for a friend
to arrive, with one suitcase,
from New York City.
He was two hours late.
It is, with its lost elegance,
the loneliest place in town.

2

Stars shine there,
are mirrored off broken wine bottles,
are diminished.

An unshaven man, harmless and crazy,
yammers of Korea.
He is stationary,
riding the night out of town.

The Otter at the Swimming Hole

From a branch by a rope pendulum,
An old tire hangs zero.
Bullseye!
A shadow like an otter
Whooshes through, down the bank, into . . .
Now the water lies still, opaque
To me as the holes astronomers see in space.
Is there, was there ever an otter?
The question spins vision on its rim
Until from the other side of nothing
A sleek shape surfaces to slip the ring again.

Rakku

The old master oed and aahed
as he held the glistening bulb
of white hot clay and pulled it
with the tongs from the kiln's
blazing wind. We all stood back.
He dropped it into the bin of leaves
that smoked and flashed before we dared
to put the cover on and leave it
till silver impressions burned themselves
forever on that gleaming sphere.

A thing of beauty must endure
the final test — he lifted it from the leaves
and dowsed it in cold water
boiling victory or defeat.
He blacksmithed beauty, coaxed it
out of earth with patience, skill and luck.
And now its silence stands —
it is and was always meant to be —
a thousand years of claiming admirations.
the echoed exclamations caught
within its circle at the kiln.

Look now at this point and see
the master's soul's immortality.

Uncle Charles
(for my father)

Your brother seldom talks
of the attic days and
the airplanes, all their parts,
sharp as exclamation marks,
kept in the metal box
with the Salmagundi girl on top.
I have it now, stuffed with combs,
dripping grosgrain ribbons.

Twenty years ago,
spitting water melon seeds
like black tears, I sat
where you sat
twenty years further back,
saying your olive drab goodbyes.

This is the table you made
over forty years ago,
seven coats of varnish
and the corners still as tight
as your brother's heart
when he read the telegram,
four mahogany legs still
as straight as your gaze
from behind thumb-thick glasses
that should have kept you home.

Your brother gives me thoughts
of you like presents,
like stories whose endings
I don't want to know.
How you shrank away to nothing
on stone soup and thirty-hour days,
how you slipped away from
your bones and were lost
with all the rest.

Your brother must have carried
much of you in him,
to give me the features
he loved most in you.
I have your eyes.
I have your hands.
When I was ten
I called you me
in the oval family portraits,
and your brother left the room.

Prepare

Prepare for that which is already arriving
Which is upon you which is
No one at all speaking your name
Prepare, for there are no doors to lock
No wet streets glistening
Nor the wifts of dust on wooden floors
Prepare, as there is never time to
To debate books or possible paths or meals
Nothing shall be known
You must prepare for where no preparation takes you
Without compass or watch or charts
Or all the arts and assemblages of time
Prepare for the death of deaths
When you shall forget the curve of a shell
Or the scent of ripe oranges
Prepare for the ocean which is a blue skelton
For the flash of a violent feather
Or a night sky folded in your hands the size of tears
Prepare, a horizon without bearings
Awaits you in an adventure true for forever
There the four winds may be solid
There you may eat your own flesh
Prepare for that which you cannot outwit
Bring nothing not even your face
You shall see flags you cannot decipher
There shall be a burning in your side
Stars will hang below you like sickles of question marks
Prepare, for you cannot plan for
What is destined to arrive before itself
For the breath you never take

Jeffrey Collins

My uncle
too
Was a ball turret gunner.
Though not sprayed from the plane's guts
With a hose.

He,
Back home on the farm when it
Rained,
Thundered,

Ended up
Under the old iron bed —
Head down,
Rocking,
Screaming.

A Different Gunner

Feeling himself a failure at teaching,
the graduate assistant turned janitor
waxes into the land of nod

At the dump you are a shepherd of glass
herding a flock of broken necks
hauling two bins of dust
and thrown-away talk
to a pasture of ash.
But here is a monarch, flower-hopping an azalea;
nature puts on some trash, or vice-versa,
and you talk in flotsam
as your mind drifts to lives
of the after-soul, then back to litter;
you try on a hat among the coffee filters
and think of the wisdom
you used to doff and doff or thaw out
for the students:
quick knowledge for hungry minds.

You are dogged at the dump by a fog
like that wolf with floury paw
plotting through the fey forest
smoothing his voice with chalk
("Open the door, children")
to wrap the seven kids
in the gloomy school of his belly;
but that was your mother tongue
in the ink you sprinkled from your pen,
seizing words, savoring ideas
you whiskered fraud, "you old sinner";
your class of rams and ewes squirmed
whirred with the clock, then gunned
toward noon and lunch.

You could not chaperone them
down any philadelphian streets
of the heart, or to meet
any dragons of conscience;
sad as a prison you could not
teach them how down in the dump
a monarch could be born
as worm and wax all spring
in a sleepy green sedan, to become
the brightest pupil in summer's eye.
